

SPECIAL MEETING:

The Traill County Commissioners came to order on September 6, 2018 at 3:00 pm with all members present. The meeting was held in the Traill County Community Room.

AGENDA: To discuss paving issues for Hwy 81 & ditch cleaning permit filed by Paul Kozojed.

PRESENT: Dan Zavoral of RJ Zavoral & Sons; Corwyn Martin, Road Superintendent; Matt Lange and Chris Bakkegard of KLJ.

DITCH CLEANING PERMIT: On motion of Amb, seconded by Nesvig and carried to approve the "extension" request of Paul Kozojed for ditch cleaning permit along Highway 81 in Section 31 of Ervin Township 147-50. Original permit filed for this project had expired before work could be completed.

PAVING PROJECT: Matt Lang discussed the issues with getting the project done in time for harvest. Zavoral explained the delays here in Traill County were due to lack of oil and weather issues at their current job site and hopes to have the project here in Traill to start on September 12th. Once the paving begins, it won't take long to finish, barring any weather issues here. Lang stated that because of the late start here in Traill, we do not want to sacrifice quality just to get the project done & Zavoral assured all those in the meeting that the quality will be to specs as written in the design.

All those present were in agreement, if the start date of September 12th doesn't happen, the project may have to be delayed for the safety for the public with trucks running during harvest.

There being no further business to be brought before the Board, the meeting was adjourned at 3:25 pm.

Attest:

---

Glenda Haugen, Auditor
