

**TRAILL COUNTY WATER RESOURCE DISTRICT
SPECIAL MEETING
AUGUST 6, 2020 ~ HILLSBORO, ND**

The District Board convened on this date and came to order at 1:00pm at the office of the Traill County Water Resource District in Hillsboro, ND. Managers present were Gary Thompson, Joel Halvorson, and Andy Neset with Jason Siegert presiding as Chairman. Also present was Brady Woodard of Moore Engineering, Inc.

DEBRIS REMOVAL FROM LEGAL DRAINS

The Board met today to continue discussion from July 28th concerning debris removal from Traill County legal drains.

The Managers indicated on a map which drains are in need of spraying for cattails and weeds. Brady Woodard will put together a map for the company (Dakota Helicopters) who will be performing the spraying. The Board has decided to use a different contractor (Chad's Excavating) to remove the trees from the drains that cannot be sprayed due to the large size of the trees. In this case a "plucker" that removes the trees from the root ball will be used.

ADJOURNMENT

Having no further topics to discuss, the meeting adjourned at 2:00pm without objection.

Jason Siegert, Chairman
